- The undergraduate counselors in the Department of Economics will only be checking for eligibility to declare the pre-major or major.
- Submission of this request does not guarantee admission to the pre-major or major.

## **Requested Major Change:**

Current Officially Declared Major: \_\_\_\_\_

I am requesting to switch my currently declared major to:

Pre-Economics     Pre-Business Economics     Economics

I am requesting to add the following pre-major to my currently declared major:

Pre-Economics     Pre-Business Economics

I am pursuing a double major and would like to declare the Economics major. I will submit the double major forms when I am ready to officially declare the double major.

The Business Economics major requires an application that is available through our Bruin Learn website: <https://economics.ucla.edu/undergraduate/contact-us/bruin-learn>. The application is only available the first three weeks of each quarter and during Summer Session A.
