FIELD REQUIREMENTS

Students who choose IO as a field are required to meet the following requirements by the end of the second year:

- Take three courses listed above and pass them with a grade of B+ or better.
- Regularly attend the IO workshop and proseminar
- Submit the field paper and receive a passing grade.

ADDITIONAL GUIDELINES

- An IO field paper can be either an original research paper or a survey paper with research proposal.
- Co-authorship of field papers is permitted but must be approved by the advisor in advance.
- When appropriate, a student may submit an IO field paper that is also being used to satisfy a paper requirement for another field. In such cases, the student must obtain prior approval from the advisors in both fields.
- In some borderline cases in which a student does not satisfy some requirement, the instructors will reach a final determination based on the entirety of the work completed.

Here is a rough timeline of what you are expected to do regarding your IO field paper:

- Choose your advisor (see the list below) and start discussing ideas in January.
- Meet with your advisor regularly along with other relevant faculty (in particular, those who you wish to serve on your committee).
- Present your field paper in IO proseminar in spring.
- Submit your field paper by July 31, 2024, to Chiara Paz (chiara@econ.ucla.edu) by email.

IO FACULTY

John Asker, Martin Hackmann, Hugo Hopenhayn, Will Rafey, Michael Rubens
